UPCOMING EVENTS

August 4th-business meeting and auction (Room Holder: Frank Lee)

August 18th-business meeting and auction (Room Holder: Bob Lewallyn)

September 1st-business meeting and auction

Since we have no program scheduled for the meeting on the 18th, we are going to go ahead and hold two auctions this month. Next month, at the second meeting, we are planning to have our first kiloware sorting night. More details in the September newsletter, along with details on the Southeast Stamp Show, to be held at the end of September.

Reminder to Frank Lee and Bob Lewallyn: Thank you to both for going down early to hold down the meeting room for the club in August.

John Coles, the club's President, will be in and out of town during most of August, so he will not be attending either August meeting. Therefore, we shall keep club business short until September.

CLUB NEWS

Swap meet-The club held its first swap meet in recent memory on July 21st. While turnout was small, a good time was had by everyone as we sorted through nickel and dime stamps. Food was available as the club provided sandwiches, cookies, chips, and fruit.

Keeping the newsletter short this month, as I've been rather busy at work. Hope to see you soon at a club meeting.
