Welcome to this special issue of the Atlanta Stamp Collector's Club newsletter-available only here at the Peach State Stamp Show!

We would like to invite all Atlanta area stamp collectors to come attend one of our upcoming meetings! We hold meetings at the Ponce De Leon branch of the Atlanta-Fulton Public Library on the first and third Thursdays of each month at 7:00 pm. The only exceptions to this rule are when we hold joint meetings with other area clubs and in December when the club holds its Holiday party. The holiday party is one of the highlights of the year as the club features a "White Elephant" auction where anything and everything seems to have been sold. Last year, all proceeds from our White Elephant auction were donated to the Ponce De Leon library.

To get to the library from Peach State take I-75 south to North ave exit. Turn left. At West Peachtree turn left. At next light turn right (this is Ponce De Leon). Drive east on Ponce for about two miles. The library will be on the left across from a Publix grocery store. If you need more specific directions-please check out our website at stampclubs.com. Access to the meeting room is at the back of the library.

The first Thursday features a large auction while the third meeting features a program/presentation followed by a smaller auction. Upcoming meetings are on October 7th; October 20th (a joint meeting with Button Gwinnett at their meeting place in Lilburn. Take I-85 north out of Atlanta. Take the Indian Trail exit, turn right. Drive to Lawrenceville Hwy (US 29), turn right. Turn left at next light (Main St), drive about a mile to stop sign. Lilburn City Hall will be on the left. Time of meeting is the same as in Atlanta: 7:00 pm); November 4th; November 18th and the Holiday party in December (time and location to be determined at October 7th meeting)

To let you know what you've been missing; this cover was featured in a program that I gave to the club. I traced the letter back to the Congo and found out that the letter was from a Presbyterian missionary. I presented my findings at a club meeting.

Hope to see you soon
