

## Club News

**Recurring features** at our meeting will be *Mini-Auctions* and *Boxes O' Stamps*. Auctions will be held when Auctioneer, Jack Case, has enough material, so bring your submittals to each meeting. The Boxes O' Stamps feature will be open before and after the main events and during the break – come early. Remember doors open at 7:00 pm.

**Stop the presses!** We have just learned that **Jim Cate's** exhibit: *First Day of Issue – 10.9 Cent Hansom Cab* took the SILVER in Nashville. Quite an achievement, Jim. Congratulations! You may remember this stamp had its first day of issue in Chattanooga – way back when.

**A little something** new this month. If you have an email address you will be getting this newsletter two ways via the Postal Service as usual and an email copy. If the email copy is satisfactory – that is if you can open and print **all four pages** ok, just reply “email” – it will come only that way in the future. If you prefer to continue to receive newsletter by mail for whatever reason (you don't need to explain), just reply “hardcopy”. Of course no reply will just confuse your editor more that ever!

**Do you see something** else new this month – like two columns and a different font? Easier to read or doesn't matter? Let us know.
