Which of the names above do you like best? At the Christmas party which one will you choose to headline your monthly newsletter from now on? Remember you must be present to vote and your guest may vote as well, so bring a guest and it will be like getting two votes – or will it?? And the lucky – our should we say *creative* winner will be awarded a year's free membership (or the equivalent).

But there are many more reasons to attend the gala Annual Christmas Party at the First Christian Church, corner of McCallie & Baldwin, lower level – same place as recent years. The date is regular stamp club night, Thursday, December 8. Second Thursday comes especially early this December, so don't let it trick you. Mark that calendar now! The time: 5:00 pm for setups, hors d'oeuvres, and visiting. Dinner will begin a little later. Oh, yes. It would be nice if you would bring a side dish to go along with the main dish – a Christmas ham, along with beverages furnished by the Club.

After dinner not only will there be Christmas gifts (that may have to be earned), but this year we will enjoy a special program for members and guests alike entitled *It's Christmas* presented by Jim Cate.
