

April Exhibit Event

It was quite a festive occasion with over twenty-five exhibits competing. And nice ones they were. The winners of the beautiful clocks and other awards are listed below. Even if your name is not among the winners – for the competition was strong – it is certain you had fun with your exhibit. Willis Monk's **GOLD** is our Stamp of the Month for May. Examine it once more and you will be reminded why it took top honors. Not an expensive item according to Willis, but a *priceless* exhibit.

The two **SILVERS** showed the markings of top winners as well. Items that started out as unremarkable philatelic pieces – made into something extremely noteworthy by the way these were treated by their owners. To do this one has to put his or her *heart* into the item and the exhibit. That's what Bill and Gene did. Perhaps we will see these again as future SOTMs.
