**NEXT MEETING**

**MARCH 8, 2009**

**2:00 PM**

**GRACE LUTHERAN CHURCH**  
**LAKELAND, FLORIDA**

Frank Hills will present a program entitled: "The City of Dresden and Surrounding Saxony." Frank always has an enlightening program and this one will be no exception. Our business program will begin at 2:30 PM and President Meder has kept this part of our meetings to a reasonable time frame. ASP circuit books will be available as usual and we will have a floor auction. Fellowship and stamp discussions will be in full swing. And, we will have coffee available if some one brings the coffee and the CUPS. (We did not discuss cups at the last meeting when we made the decision to have coffee at our meetings).

### **February Meeting**

Present: Fred Meder, George Kuhn, Louise Graves, L. Di Stefano, H. Mimminger, John Hayner, Frank Hills, Dick Laux, John L. Sullivan, John Rimi, Charles Deusner. Guests: Elaine Meder, Walt Hastrich, John Svenson.

The meeting was called to order by President Meder at 2:30 PM. Ed Evan gave the treasurers report. Under old business it was decided to not have a chapter meeting during the Baypex show but members were encouraged to wear chapter shirts if they attended the show. Dick Laux reported that a sympathy card had been sent to Larry Brunke's widow. He also reported on health problems concerning Carl Kish and Charles Graf—get well quick guys!

Under new business it was decided that we have coffee and snacks at our regular chapter meetings. George Kuhn presented communication from APS concerning the nomination of various office seekers with that organization. Appropriate action was taken in nominating those individuals known to member of the chapter and most positions received chapter nominations. It was decided to hold the April chapter meeting on the third Sunday rather than the second Sunday because of the date to Easter. A similar situation occurs in May because of Mothers Day. President Meder will appoint a nominating committee to nominate for our officers for next year. Election of officers will be held at the May meeting. The following meeting schedule was developed:

April Meeting	April 19 <sup>th</sup>
May Meeting	May 17 <sup>th</sup>

President Meder closed the business meeting around 3:30 PM and the floor auction followed.
