Members attended the missel stamp club of Melbourne. They had a great display of philatelic material in relation to rockets, space age and astronauts, from around the world. One member, Mr Aldren, is the cousin of astronaut Buzz Aldren. The following day, some of their members attended our show.

Mystery jar was won by Fred Meder, who bid over \$10.00 for the jar. He went through the jar. He, took out what he wanted and gave the rest to Loretta Chasteen. She in turn went through the jar, then donated the remains to her Church's youth group. At this time, we are not sure who won the "penny black".
