## July Meeting

At our July meeting we're going to start the nomination process to fill the slots for vice president and secretary. We will need to form a nomination committee for this process. It is also time to start thinking about who we want to have fill these positions for the next two years. Now is the time for members to step forward to help the club. Paying dues and coming to some of the meetings is one thing but helping the club in other ways is the way we're going to make this club grow and go.

We hope to get a report on how Buttpep did from the dealers point of view. From what I heard on Sunday, the attendance was good but people weren't spending as much as they did last year.

We don't have a firm commitment for a program in July, so we'll play it by ear. We have a couple of pressing matters to discuss. We will have an auction after the business portion of the meeting, though.

## Help Wanted

We need help doing a couple of those things that make our club

better for the members. First of all, we need someone to take over the 2fers. Enno has done this job for a while now and it is time for a change. This is not a time consuming job and we need help with it. Second of all, we need someone to take over the club supplies. This is really a rough one. You bring the supplies to the meeting and refill them as needed. The club pays for the supplies. They are in three containers that hook together so it's all nice and neat. These are two of the things you can do to help the club **in other ways**. This club can be as good as you want it to be and giving a helping hand with some of these extras is one way to make the club a better organization for all of us.

## June Meeting

At the June meeting we voted to give the dealers at Buttpep doughnuts. This is a nice gesture and is

appreciated by the dealers.

We also voted to price all the covers from past shows at \$1.00 and sell them at the club table at the show.

The club voted to nominate Gordon Brick for the Rowland Hill award given by the federation. A letter of nomination has been sent by the club to Don LaBerteaux, the club representative to the committee considering the award.

Bob Lieb showed a mock up of the show cover for the Southeastern Stamp Show. One hundred have already been pre ordered including two from Brazil.

We discussed a membership drive and the several ways we could work on increasing our membership. This is **another way** you could help the club. Participate in the membership committee.

After the business portion of the meeting we held an auction. There were lots of lots and the boxes brought quite a bit of spirited bidding.
