January Joint Meeting

It's January again, time to look forward to the tons of new stamps we'll add to our collections and time to have another joint meeting at the Cobb club's meeting place. The meeting will be on **January 9th at 1:30 p.m.** at the Jewish Towers on Howell Mill Rd. To get there follow the map in this newsletter. If you're going south on I-75 take the West Paces Ferry exit (exit 255), make a left onto Howell Mill Rd., cross over I-75 and make a right on Northside Pkwy. Then make a right onto Howell Mill Rd, go around the curve and up the hill. The Jewish Towers will be on your right. If you're going north on I-75, exit onto Northside Pkwy., go right on Howell mill Rd. and up the hill. The Jewish Towers will also be on the right. This will be a good chance to see a lot of the people you missed at the December meeting.

There will be an auction at the meeting but remember that **THE MINIMUM BID ON ANY GIVEN LOT IS FIVE DOLLARS.** You can always combine some of your lots to get to the magical five dollar minimum. There will lots of material to bid on, more than you see at one of the regular meetings. Boxes full of just about anything and everything seem to be very popular items and bring some of the best bidding. There are also many other lots of varied types there for you to bid on. We're looking forward to seeing you there.

Since this meeting will be only ten days before our regular meeting date, **THERE WILL BE NO JANUARY MEETING HELD AT LILBURN CITY HALL.**

Send in your Dues

It seems like only a year ago that we were felling you to send in your dues. It's time again. Bring them to the February meeting or mail them in to the club treasurer at the return address on the front of this newsletter.

January 2005

Christmas Party

Once again, Gordon and Rosalie Brick were kind enough to host our annual Christmas party. There was a good turnout and a good time was had by all. After having a good social hour downstairs, we all partook of the food and then went back downstairs for a Yankee swap meet. There were a couple of gifts that changed hands several times. I think that the people who chose those gifts and unwrapped them realized at once that they wouldn't get to keep them. There were also some philatelic publications available for the members and guests to take home with them.

Again, our thanks goes out to Gordon and Rosalie.

Happy 2005

The officers of the Button Gwinnett Stamp Club would like to wish a happy and prosperous new year to the members, friends and families of all. Last year was a good one for the club and we hope the coming year will be even better. Think about what we did that you liked and what we can do to make the club even better this year. We'll try to get a list of possible presentations for you to choose from and we're open to any suggestions you may have for presentations or other things we can do to make 2005 a memorable year.
