

# Saluting the 80<sup>th</sup> Anniversary of the first flight to ATLANTA, GA

September 15, 2006 will be the 80<sup>th</sup> anniversary of the first flight from Miami, Florida to Atlanta, Georgia, inaugurating contract airmail service for Atlanta. This year, the Southeast Federation of Stamp Clubs will honor this event at its sponsored Southeastern Stamp Show held September 22<sup>nd</sup> through September 24<sup>th</sup>. The Federation has contracted with Stamps.com to prepare a limited edition "CAM 10 stamp" that will be affixed to a specially designed souvenir cover. Both the stamp and the cover will be prepared in a rustic brownish red color. All covers will be postmarked on the exact 80<sup>th</sup> anniversary date. Because of the limited number of "CAM 10 stamps" prepared, these covers may be pre-ordered and will be filled on a first come, first serve basis. All monies raised by the Southeast Federation of Stamp Clubs from this activity will be used to promote the stamp collecting hobby.
