

Saluting a Century of Service

In 2005, Rotary International celebrates its 100th anniversary. All over the world, Rotarians are marking this great milestone in many different ways. The Peachtree Corners Rotary Club has joined forces with the Southeast Federation of Stamp Clubs to honor Rotary International at the annual Southeastern Stamp Show, the last weekend in September. A beautiful commemorative envelope is being prepared to mark the event. This lovely souvenir will use the US stamp that was issued for Rotary's 50th anniversary. Because unused copies of this beautifully engraved stamp are scarce, this commemorative souvenir will be a limited edition, and orders may need to be filled on a first come, first serve basis. All monies raised by the Southeast Federation from this activity will be used to promote the stamp collecting hobby.
